EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

On page 5, line 9, 'though' has been changed to --through--.

On page 12, line 22, "rain" has been changed to --ram--.

2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose a submersible vehicle comprising a plurality of rigid submersible vessels coupled together end to end by resilient couplings with at least some of the rigid vessels including means to independently steer the relevant submersible vessel, the lead submersible vessel and at least some of the submersible vessels, the lead submersible vessel and at least some of the submersible vessel including position tracking means and computer means to control the steering means, generally as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
